Sir:

In response to the Office Action (Restriction Requirement) dated June 20, 2008, Applicants hereby elect, with traverse, Group I, claims 1-8, for further prosecution on the merits.

The present application is a National Stage application of PCT/JP2004/001868, filed February 19, 2004, and thus the Unity of Invention requirement under the PCT rules applies.

In the present application, no lack of unity objection was raised during the international proceedings of the corresponding PCT application. That is, said application has been recognized as unitary. Thus, Applicants submit that no restriction requirement should be raised during the national stage since the claims are essentially the same as in the PCT application.

If there are any questions concerning this paper or the application in general, the Examiner is invited to telephone the undersigned at (202) 452-7932 at his earliest convenience.

Respectfully submitted,
